

"LEADERS IN SENIOR CARE"

JOIN PCAC  
GROW WITH US!

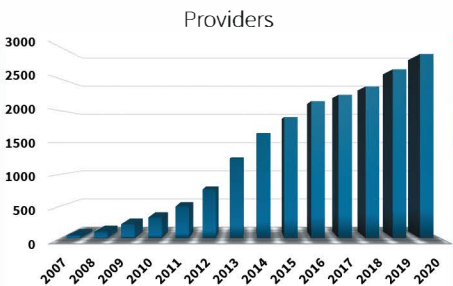

### About PCAC

Since 2007, Primary Care Associates of California (PCAC) has taken the lead in being solely committed to the care of Medicare-eligible beneficiaries. With a comprehensive network of primary care physicians, specialist and ancillary care-givers entirely devoted to improving your health and well being, we are continually striving to be "Leaders in Seniors Care!"

PCAC takes pride in contracting with over 600 Primary Care physicians and over 2,000 Specialty Care physicians in 35 area of specialty which includes Board Certified Physicians and Geriatricians. Counties include: Los Angeles, Foothills, Valley, Inland Empire, Orange County, San Diego and Ventura.
